

TPB TRAVEL FORECASTING SUBCOMMITTEE

September 23, 2016
9:30 A.M. to 12:00 noon
Conference Room 4/5, First Floor, MWCOG
Chair: Robert Josef, VDOT

AGENDA

- 9:30 1. Introductions and approval of meeting highlights from the July 22 meeting**
Robert Josef, Chair
- 9:35 2. Status report on COG/TPB's travel demand modeling improvement efforts**
Mark Moran and Ronald Milone, TPB staff
Jay Evans and Feng Liu, Cambridge Systematics, Inc.
TPB staff will brief the subcommittee on recent work efforts, such as adding finer geography to survey files and collecting year-2014 validation data. Cambridge Systematics staff will brief the subcommittee on the finalization of the draft FY 16 report, which was shared with the subcommittee at the previous meeting. Efforts are also underway to develop FY 17 consultant work tasks.
- 10:15 3. Overview of the draft 2016 CLRP Amendment**
Andrew Austin, TPB staff
The subcommittee will be briefed on the draft 2016 Amendment to the 2014 Constrained Long Range Transportation Plan (CLRP), which was the basis for networks used in the most recent air quality conformity analysis. The 2016 Plan is scheduled to be presented to the TPB in October and will likely be considered for approval by the TPB in November.
- 10:30 4. Status report on the 2017-18 COG/TPB Household Travel Survey**
Rich Roisman, TPB staff
Mr. Roisman will provide a status report on the 2017-18 regional household travel survey, including announcement of the survey consultant, introduction of new survey staff, and items from the survey kick-off meeting. This report will be a standing item for the subcommittee until the survey is completed.
- 10:40 5. Briefing on the State of the Commute report**
Nicholas Ramfos, TPB Operations Programs Director
Every three years since 2001, Commuter Connections has conducted a random sample survey of employed persons in the Metropolitan Washington Region to monitor trends in commuting behavior such as mode shares, telecommuting, and distance traveled, as well as attitudes about commuter assistance services. The committee will be briefed on the highlights from the 2016 State of the Commute Survey.

- 11:10 6. Regional Transportation Data Clearinghouse (RTDC): Recent Updates**
Jessica Mirr, TPB staff
Staff will brief the subcommittee on datasets added to TPB's RTDC.
- 11:20 7. Bluetooth-assisted truck data collection**
C. Patrick Zilliacus, TPB staff
Staff will present some initial findings from a June 2016 data collection effort using Bluetooth technology to monitor speeds of truck traffic around the region.
- 11:35 8. Roundtable discussion about current modeling projects in the region**
Robert Josef, Chair
TFS members will have an opportunity to inform the subcommittee about active or planned project planning studies that are underway in their respective jurisdictions.
- 11:50 9. Next meeting date and other business**
- 12:00 10. Adjourn**

The next meeting of the TFS is scheduled for November 18, 2016.
