

2009 Annual Meeting & Awards

Presented by:

Tracye Funn, Washington Gas and Clean Air Partners Chair
(2007-2009)

May 27, 2009

Clean Air Partners

- Non-profit organization that educates Metropolitan Washington and Baltimore area residents about the health risks associated with poor air quality and the impacts our everyday actions have on the environment.
- We provide air quality forecasts; AirAlerts and the Air Quality Action Guide to help individuals, businesses and organizations take simple actions to reduce air pollution and greenhouse gas emissions that can impact climate.

2009 Annual Meeting

- May 12th, 2009
- Marian Koshland Science Museum, Washington DC
- Board meeting to approve the FY10 work program and budget.
- First awards event focused on education.

On the Air Curriculum & Outreach

- Launched in November 2007.
- 7 unit interactive teaching kit.
- 90 minute condensed outreach program.
- On the Air has reached more than 1,400 students over the past 12 months:
