

COMMUTER CONNECTIONS

FY2018 Employer Outreach Training Sessions and Schedule

1. September 2017 – First Mile/Last Mile Challenge

How do employers start or expand commute benefit programs and/or services to help their employees meet their first mile and last mile challenges associated with their daily commute? This session will outline the paradigm and offer solutions and insights Employer Outreach representatives can use to assist employers.

2. December 2017 – Effective Communication

Effective communication is a necessary tool for relating information to not only clients but for committees and professional relationships. This session will provide insights on how to be effective in communicating.

3. March 2018 – Distracted Driving/Walking/Bicycling

This session will offer the Employer Outreach representatives the opportunity to see solutions for a growing problem for commuters and how employers can effectively address it.

4. June 2018 – Improving Decision Making

This session will focus on assisting participants in their efforts to prioritize decisions and professional situations which can assist in the sales and maintenance process.
