

GSA Buildings and Leased Spaces and Draft Central Business Areas in MWCOG Region

Draft 12/16/2016

Map created by COG staff. Shows spaces greater than 3,000 square feet in General Services Administration database. Leased space is shown in red, orange and yellow; GSA owned buildings are shown in blue. Leased space data was downloaded from <http://www.gsa.gov/portal/content/101840> in November 2016. Owned space database was given to COG by GSA staff in January 2016.
