- 6:05 - 7:00 Focus Group: An Evaluation of the TPB's Public Involvement Activities**
The TPB's recently approved Participation Plan calls upon staff to annually conduct an evaluation that looks at the public participation activities of the past year and identifies new activities for the year ahead. As part of this evaluation, staff will conduct a focus group-style discussion with the CAC.
- 7:00 – 7:40 Discussion: How Might the Forthcoming "List of Unfunded Projects" be Used for Public Involvement?**
In November, TPB staff briefed the CAC on a proposed approach for developing a list of projects that have been included in the approved plans of the TPB's member jurisdictions, but have not secured the funding commitments necessary for inclusion in the CLRP. This month, the committee will continue that discussion by focusing on meaningful ways in which this inventory of unfunded projects can be used for public involvement.
