

2016 Cooperative Green Contracts

The Mid-Atlantic Purchasing Team (MAPT), coordinated by the Metropolitan Washington Council of Governments and the Baltimore Metropolitan Council, provides cooperative procurement opportunities for local jurisdictions, drinking water and waste water entities, school systems, community colleges and other public entities in the Baltimore-Washington and northern Virginia region. MAPT cooperative contracts that have environmentally preferred products and service options are included in this list. Public agencies in the region can purchase off these contracts whether they participated in the original bid or are looking to piggyback/ride the contract after the initial award.
