

Item #4A

# OPEN STREETS

Car Free Day Steering Committee  
March 14, 2012

## Ciclovía

Translates from Spanish into English as "bike path" and now used worldwide to describe either a permanently designated bicycle route or a temporary event, the closing of the street to automobiles for use by others.

# BIG CITIES

# OPEN STREETS PLANNING

- ◉ Plan ahead at least four months
- ◉ Form a planning group
- ◉ Identify funding sources and budget
- ◉ Collaborate across sectors: transportation, health, parks, planning, police
- ◉ Obtain necessary permits
- ◉ Get community involvement: recreation, seniors, youth, business, religious groups, colleges
- ◉ Select a location on major street that connects to places of interest.
- ◉ Have activities for every age group
- ◉ Promote and get people excited about it!
- ◉ Secure food vendors
