Region Forward Coalition Members: During 2018, you will be provided with updates on the Region Forward Targets. Throughout today's meeting, please consider the following questions:

1. What comments or concerns can you share about our performance on the Region Forward accessibility targets?

2. Given the COG Board's adoption of 19 goals and 7 targets, would you suggest any enhancements (change of threshold, etc.) to be considered in the future relative to accessibility?

3. Are there any additional quantifiable and measurable accessibility targets that you suggest be considered, in particular, targets that can help illuminate and support equity and inclusion?

4. Additional comments:

5. Would you like to participate in an upcoming work session to consider how equity and inclusion can be weaved into the Region Forward vision.

Yes _____ No _____

6. Please provide your name and email so that we can follow up with you if we have any questions about your responses:
