December 2005

PROGRAM HIGHLIGHTS

I. <u>COMMUTER OPERATIONS CENTER</u>

A. Local Agency Technical Assistance

Client member assistance included the following:

The End User client reports were sent out to all client members the weeks of December 12th and 28th.

ARTMA – Staff sent a new WASHCOG.APR file to replace a corrupted file.

Fairfax County – Staff ran a "duplicate commuters" report for the staff to review and report back any duplicate records that were deleted and needed to be retrieved from the archives.

Loudoun County – Staff sent a new WASHCOG.APR file to replace a corrupted file.

Montgomery County – Staff received and reviewed a conditions issue with running some of the county reports. Staff also continued to work on retrieving deleted duplicate records that were identified by the county to be retrieved. The duplicate retrievals were completed.

Staff continued reviewing all comments received from the client member collaborative session on the development of a new TDM software management software system on October 28th and finalized a draft report on the session. Staff also began assembling a timeline for the project and revising the specifications.

B. <u>Transportation Information Services</u>

Staff provided commuter traveler information on alternatives to the general public by telephone, Web site, electronically, and through printed information. Statistics on this project are available by viewing the December Commuter Operations Performance Report at the end of this document.

C. <u>Transportation Information Software, Hardware, and Database Maintenance</u>

December 2005

Staff continued daily back-up processes for the Commuter Connections Ridematching Software system and FTP server. The tape drive on the CCRS server was replaced by IBM.

D. <u>Commuter Information System</u>

No program activity to report for the month of December. A new staff person was hired to begin working on CCRS software maintenance and updating the GIS information in the CCRS.

II. REGIONAL GUARANTEED RIDE HOME PROGRAM

A. <u>General Operations and Maintenance</u>

Staff continued sending weekly registration and re-registration cards to Guaranteed Ride Home program applicants. Those applicants whose records were expiring were contacted to update their information.

Staff monitored and maintained the GRH database and server.

Staff processed cab and car rental invoices, and transit vouchers.

During the month of December, there were 496 GRH applications received. A total of 336 applicants were registered (320 new applicants and 16 previous "one-time exception" users) and 682 commuters were re-registered. The GRH program provided 210 GRH trips. Twenty-four (24) of these trips were "one-time" exceptions accounting for eleven percent (11%) of the total number of GRH trips provided. Personal illness accounted for the largest portion of the GRH trip reasons followed by child care. A total of 29,680 commuters are currently registered in the GRH database.

III. MARKETING

A. <u>TDM Marketing and Advertising</u>

Staff worked with the advertising contractor to develop direct mail creative based on the Commuter Connections Marketing Work Group feedback. The direct mail campaign will promote Commuter Connections' carpool/vanpool ridematching service, with a supporting message of Guaranteed Ride Home.

December 2005

The key messages of the direct mail campaign are as follow:

- Finding a potential rideshare partner through Commuter Connections, it's free, quick and easy.
- Emphasize it just takes two to benefit from cost savings.
- Guaranteed Ride Home provides assurance that car/vanpoolers will get a ride home in case of an emergency.

A regional TDM Marketing meeting on December 6th. Highlights from the meeting included: The final review and approval of the 2005 TDM Resource Guide and Strategic Marketing Plan document, a marketing activities update by the Maryland Transit Administration, a Commuter Connections marketing update from COG's marketing contractor NDW Communications, a presentation on the grand re-opening of the Rosslyn Commuter Store in Arlington County, and a roundtable discussion of other marketing activities being conducted by various transit and rideshare agencies in the region.

The 2005 Regional TDM Resource Guide and Strategic Marketing Plan was finalized and distributed. The First Half FY06 Marketing Campaign Summary draft report was prepared and distributed.

The 2006 Commuter Connections Employer Recognition Awards application and brochure were completed and distributed.

Staff coordinated a month-long free internet banner test ran on TrafficLand.com for the month of December gaining over 500,000 impressions.

Staff continued to post commuter news links to web site along with other routine maintenance and enhancements to Commuter Connections web site and Bulletin Board.

Staff and the advertising contractor continued development and editing of three new brochures for GRH, Ridematching and a general services piece.

B. <u>Bike to Work Day</u>

Staff worked with the marketing sub-contractor continued to call potential sponsors for the event.

December 2005

Staff refined and tested the "Save the Date" HTML e-flyer for January distribution to past registrants.

Staff contacted all pit stops managers to obtain pit stop commitments for the 2006 event. All pit stops from last year are on board to host the event once again.

Staff worked with the advertising contractor to develop poster concepts for 2006.

IV. MONITORING AND EVALUATION

A. <u>TERM Data Collection and Analysis</u>

Staff and the consultant continued reviewing the draft 2005 TERM Analysis report based on comments received and prepared the draft report for the Commuter Connections Subcommittee to review and approve on January 17th. Staff also reviewed the Expanded Telecommuting TERM Analysis report based on comments received and prepared the draft report for final approval by the Commuter Connections Subcommittee on January 17th.

Staff collected monthly sales data from the 10 Employer Outreach sales territories and reviewed the employer database records in the regional ACT! Database.

Staff coordinated with BMISG on the Employer Outreach commuter survey processing project. Staff also worked on general maintenance and updates for the regional Employer Outreach database.

The draft of the FY 2006 2nd quarter Employer Outreach report was prepared.

Staff reviewed the contacts in the ACT! Database to determine appropriate Telework program sales leads in Virginia and Maryland. Staff also reviewed the ACT! Database to add/delete employer Telework contacts.

B. Program Monitoring and Tracking Activities

Monthly progress reports were produced for all of the program elements adopted in the FY 2006 CCWP.

December 2005

Staff completed the final drafts of the FY2005 Bike to Work Day report and the FY2005 Employer Services Satisfaction Survey report. Both reports were updated based on comments received and will be presented to the Commuter Connections Subcommittee on January 17th for final release.

GRH customer satisfaction survey cards were mailed to program users.

V. EMPLOYER OUTREACH

- 1. Regional Component Project Tasks
- A. <u>Regional Employer Database Management and Training</u>

Monthly synchronizations from five of the employer outreach jurisdictions were received without any problems. Tri-County Council, Fairfax County, Prince George's County, and Loudoun County have not submitted their monthly reports and synchronizations as of the deadline for this report.

Staff conducted sales support teleconferences with the jurisdictions (except for Alexandria and Arlington).

Staff coordinated with marketing efforts for outreach to employers by compiling dataset for the outside contractor.

Staff maintained and updated the regional Employer Outreach ACT! Contact management database.

Staff coordinated with the DC Marketing Center for software update for Customer Referral Action Email system and maintained client contacts list.

B. Employer Outreach for Bicycling

Staff distributed an additional 500 Bike to Work Guides to employers and other outlets. Only $1\frac{1}{2}$ boxes of Guides remain in stock and staff will begin to revise and update the guide for re-printing.

December 2005

- 2. Jurisdictional Component Project Tasks
- A. <u>Local Agency Funding and Support</u>

Staff assisted the Telework Virginia project by processing survey request forms and supporting the Virginia-based outreach representatives.

One jurisdiction is still outstanding in submitting their monthly reports for September.

One jurisdiction is still outstanding for their monthly reports in October.

Staff assisted the Telework Virginia project by processing survey request forms and supporting the Virginia-based outreach representatives.

Three jurisdictions are still outstanding in submitting their monthly reports for September.

There were still nine sales territories who do not have a FY 2006 Scope of Work and budget submitted to COG for review.

Staff fulfilled customer requests for information from J. Hickman.

VI. <u>TELEWORK</u>

Jurisdictional Component Project Tasks

A. <u>General Technical Assistance and Information</u>

Staff conducted telephone meeting with Southern Maryland Electric Cooperative to discuss company telework launch.

Staff utilized information from the ACT! Data base and employer outreach representatives to determine telework leads.

Staff responded to 15 calls regarding the Telework Resource Center. Staff distributed 4 Commuter Connections Employer Telework kits.

Staff contacted the following employers during the month of December:

December 2005

Burgess and Niple Fairfax County Federal Credit Union Southern Maryland Electric Cooperative CIMA Calvert Jones INOVA Health Care

B. <u>Program Coordination</u>

The Telework Center utilization rate is currently at 56%. There are currently 426 federal workers using the centers and 177 non federal workers using the centers. *(See graph in Charts section of this report).*

C. <u>Telework Outreach and Follow-Up to Local Employers</u>

Staff utilized information from the ACT! Data base and employer outreach representatives to determine telework leads.

Staff continued to work with Arlington Employer Outreach, Fairfax County Employer Outreach, and Dulles Area Transportation Association to secure employer telework leads.

- December 1: Conference call with Calvert Jones
- December 2: ACT Annual Awards Luncheon
- December 8: Telework Event at National Press Club

Staff continued to work with Alexandria Employer Outreach to secure companies for participation in Alexandria telework initiative and review grant applicant telework policies, procedures, safety checklists, scopes of work, and budgets.

VII. <u>INFOEXPRESS KIOSKS</u>

Jurisdictional Project Component Tasks

A. Maintenance and Operation of Regional InfoEpxress Kiosks

The InfoExpress kiosks located in the District of Columbia and Northern Virginia were maintained and updated as needed by staff and COG's contractor.

December 2005

There were 679 kiosk users during the month of December.

Daily commuter costs saved	\$661	\$825	5,293

NOTE: Daily vehicle trips reduced is calculated by multiplying the number of placements by a vehicle trip reduction (VTR) factor. The VTR factor takes into account three types of placements. 1) Drive alone commuters that shift to a commute alternative, 2) current alternative commute users that shift to a higher occupancy commute commute mode, and 3) current commute alternative users that increase the number of days they use a commute alternative. Daily vehicle trips reduced include both trips to work and trips from work to home.

NOTE: TDM levels are explained on the attachment. Each level represents TDM strategies implemented by an employer that will have some effect in converting single occupant vehicle commuters to ridesharing, transit, bicycling or walking as their main commute mode. Level 1 represents strategies that produce only a small amount of SOV conversion. The strategies for each subsequent level have greater SOV conversion impact. * Did not submit a monthly report by deadline.
