

## MEMORANDUM

**TO:** TPB Technical Committee  
**FROM:** John Swanson, TPB Transportation Planner  
**SUBJECT:** Solicitation for FY 2019 TLC Technical Assistance Projects  
**DATE:** January 26, 2018

---

The solicitation for the FY 2019 TLC technical assistance applications will be opened on Thursday, February 1, 2018. The deadline for applications is April 2. The deadline for submitting abstracts for proposed projects, which is an optional step in the process, is February 23.

Any local jurisdiction in the National Capital Region that is a member of the TPB is eligible to apply for TLC technical assistance. Non-profits and non-member jurisdictions in the region may apply as secondary recipients to a TPB member jurisdiction. Recipients will receive short-term consultant services and no direct financial assistance. Projects are eligible to receive between \$30,000 and \$60,000 in technical assistance for planning projects and up to \$80,000 for design projects.
