Committee Comments and Suggestions

- **Integration with CarpoolNow, Uber Pool, Uber Commute and other ridesharing/ride-hailing service providers**
- **Integration with emerging modes and mobility services such as dockless bike sharing**
- **Ability to incentivize drivers to form carpools for complimentary use of Express Lanes**
- **Ability to implement incentives for HOT lanes**
- **Additional incentives for carpool and then P&R**
- **Privacy and personal information**

incentTrip Updates in response to Comments

UMD team responses to the Ride Matching Committee comments are summarized below, and discussed in detail in technology live demo.

- **Integration with CC carpool & Uber Pool is done. Integration with other ridesharing, dockless bikes, and ride-hailing services is also feasible.**
- **Incentivizes can be implemented in incentTrip to encourage carpool for Express/HOT Lanes.**
- **Carpool+P&R will be displayed as an option in addition to carpool all the way or SOV+P&R.**
- **Users who refuse to provide certain personal information can still join incentTrip.**
