

TPB Technical Committee Meeting Highlights

**February 4,
2005**

The Technical Committee met on Friday, February 4 at COG. Five items were reviewed for inclusion on the TPB agenda on February 16.

- TPB agenda Item 8

In response to the TPB comments at the January 19 meeting, staff briefed the Committee on the bicycle and pedestrian plans in the region and on the context for the priority unfunded regional bicycle and pedestrian projects recommended for consideration in the FY 2006-2011 TIP by the Bicycle and Pedestrian Subcommittee.

- TPB agenda Item 10

Staff briefed the Committee on the draft document and preliminary budget for the Unified Planning Work Program (UPWP) for FY 2006 (July 1, 2005 through June 30, 2006).

- TPB agenda Item 11

The Committee was briefed on the status of staff work to develop proposals to restructure and streamline the Commuter Connections Work Program (CCWP) for FY 2006 (July 1, 2005 through June 30, 2006).

- TPB agenda Item 12

The Committee was briefed by the implementing agencies on their significant project submissions for the 2005 CLRP and FY 2006-2011 TIP. The Committee recommended that these submissions be released for public comment and agency review at the TPB Citizens Advisory Committee meeting on February 10.

- TPB agenda Item 14

The Committee was briefed on the draft scope of work for the air quality conformity assessment of the 2005 CLRP and FY 2006-2011 TIP. Staff also reviewed recent EPA information regarding the conformity implications of the new air quality standards for fine particles (PM_{2.5}).

Three items were presented for information and discussion:

- The Committee was briefed on the goals for a regional system of variably-priced lanes established by the TPB Task Force on Value Pricing and reported to the TPB on January 19.
- Staff briefed the Committee on the 2000 Census data tables of workers by place of residence and place of work by means of transportation.
- DDOT staff briefed the Committee on the Downtown Congestion Report produced by the DDOT Congestion Management Task Force.
