

**TPB Technical Committee Meeting Highlights**

**June 4, 2004**

The Technical Committee met on Friday, June 4 at COG. Two items were reviewed for inclusion on the TPB agenda on June 16.

- TPB agenda Item 8

Staff briefed the Committee on the Transportation Research Board (TRB) review of the TPB modeling procedures and the TPB staff comments on the review.

- TPB agenda Item 9

The Committee was given a status report on work for the air quality conformity assessment for the 2004 CLRP and the FY 2005-2010 Transportation Improvement Program (TIP). The Committee also received the preliminary draft FY 2005-2010 TIP document for review.

Three items were presented for information and discussion:

- The Committee received a report on the recent activities of its Regional Bicycle and Pedestrian Subcommittee including the Walkable Communities workshops and the second year of the Street Smart Safety campaign.
- The Committee was briefed on the evaluation of the Commuter Connections regional Transportation Emission Reduction Measures (TERMs) and the annual placement rate study.
- Staff reviewed the status of the Regional Mobility and Accessibility Study. The next meeting of the Joint Technical Working Group (JTWG) for this study is scheduled for June 11.
