Agenda Item #3

## Projects Aligned with Workforce Development

The collage features the following reports:

- Closing the Gaps to Build the Future:** Improving Workforce Development in the National Capital Region. A report by the Metropolitan Washington Council of Governments, January 2015.
- Region Forward:** A Comprehensive Guide for Regional Planning and Working Together in the Core County. Prepared by the Council of Governments, January 2015.
- ECONOMY FORWARD:** How to Grow, Adapt, and Thrive. Prepared by the Council of Governments, February 2015.
- CLEAN WATER INFRASTRUCTURE: Who do we go to work?:** A report by the Metropolitan Washington Council of Governments, February 2015.
- STATE OF THE REGION 2016:** Human Capital Report. Prepared by the Council of Governments, February 2016.
- TRENDS IN WORKFORCE DEMAND Overview:** February 2016.
- TRENDS IN WORKFORCE DEMAND Seven Key Economic Clusters:** February 2016.
- STATE OF THE REGION 2017:** Human Capital Report. Prepared by the Council of Governments, February 2017.

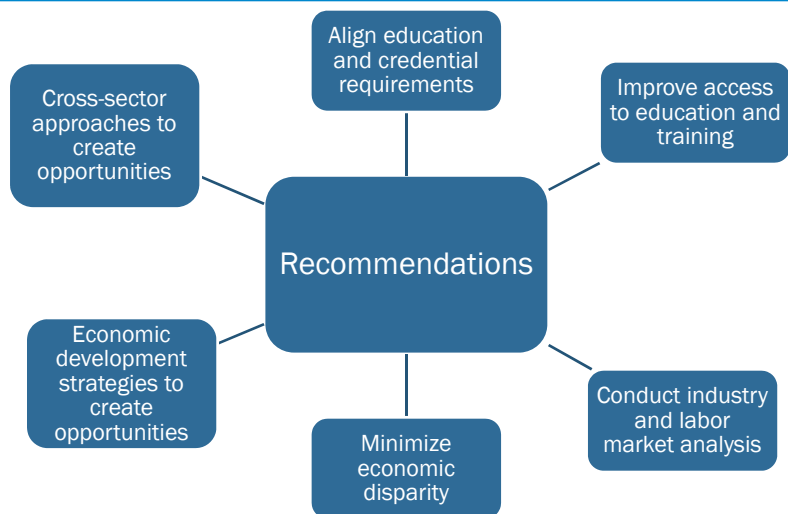

Agenda Item 3: COG's Workforce Development Projects and Initiatives | 2  
April 21, 2017

## Renewed Focus

Resolution R16-2017

The board directs the Executive Director, or his designee, to work with the Greater Washington Workforce Development Collaborative and workforce development boards and councils in COG member jurisdictions to advance and implement collaborative workforce development strategies throughout the region.

## Past recommendations
