

COMMONWEALTH of VIRGINIA

DEPARTMENT OF TRANSPORTATION 4975 Alliance Drive Fairfax, VA 22030

Stephen C. Brich, P.E. COMMISSIONER

July 5, 2018

The Honorable Charles Allen, Chairman National Capital Region Transportation Planning Board Metropolitan Washington Council of Governments 777 North Capitol Street, N.E., Suite 300 Washington, DC 20002-4201

RE: Request to Amend TPB Resolution R20-2018 Project List attachment

Dear Mr. Allen:

On June 20, The Transportation Planning Board approved Resolution R20-2018, as requested by VDOT. The Resolution expressed the TPB's support for Virginia Smart Scale funding applications that were not listed in the 2016 CLRP. The resolution was needed to comply with Virginia's Smart Scale application procedures for projects not listed the most recent CLRP.

The Resolution references "an attached preliminary list", which is titled "Northern Virginia Projects Submitted to the Commonwealth Of Virginia Smart Scale Project Prioritization Process". This list was based on information VDOT staff provided to the TPB. We have determined that the following projects we listed as being in the CLRP are referenced in the CLRP as "studies". The projects are:

٠	Braddock Rd. Improvements, Phases 1 and 2	Fairfax County
•	Seven Corners Ring Rd. (Phase 1A Segment 1A)	Fairfax County
•	Soapstone Rd. Extension/Dulles Toll Rd. Overpass	Fairfax County

This means that the projects will still need to be included in a future Air Quality Conformity Analysis before they can proceed beyond the planning/P.E. phase. We therefore are requesting the addition of these projects to the R20-2018 attachment as project proposals not currently included in the 2016 CLRP. We request that this correction be added to the agenda of the July 6, 2018 Steering Committee for consideration.

VDOT appreciates the cooperation and assistance the TPB staff and Board have provided in enabling our local government partners to apply for funding through Smart Scale. Thank you for your consideration of this request.

Sincerely, 0 0 lelen Cuervo, P.E. **District Engineer VDOT Northern Virginia District**

Hon. Charles Allen R20-2018

cc: Renée Hamilton, VDOT Ms. Maria Sinner, P.E., VDOT Mr. Norman Whitaker, AICP, VDOT

NATIONAL CAPITAL REGION TRANSPORTATION PLANNING BOARD 777 North Capitol Street, N.E. Washington, D.C. 20002

A RESOLUTION OF SUPPORT FOR SUBMISSION OF NORTHERN VIRGINIA PROJECTS FOR THE COMMONWEALTH OF VIRGINIA'S SMART SCALE TRANSPORTATION PROJECT PRIORITIZATION PROCESS

WHEREAS, the National Capital Region Transportation Planning Board (TPB), which is the metropolitan planning organization (MPO) for the Washington Region, has the responsibility under the provisions of Fixing America's Surface Transportation (FAST) Act for developing and carrying out a continuing, cooperative and comprehensive transportation planning process for the Metropolitan Area; and

WHEREAS, on October 18, 2017, the TPB approved the 2016 Amendment to the Constrained Long-Range Transportation Plan (CLRP) which was developed as specified in the Federal Planning Regulations and is the MPO's long-range plan of record; and

WHEREAS, localities, agencies and public transportation providers that wish to submit projects for the Commonwealth of Virginia SMART SCALE funding must demonstrate that the project is included in or is exempt from inclusion in the CLRP, or, if the project is not in the CLRP, the project must have an MPO resolution of support, in order to be considered for the SMART SCALE prioritization process; and

WHEREAS, the Virginia Department of Transportation (VDOT) receives all highway and transit SMART SCALE project submissions, has transmitted the attached list of preliminary applications received by June 1, and has worked with TPB staff in reviewing the highway and transit project submissions for submission eligibility; and

WHEREAS, absent a determination by TPB staff that a project is already included in the approved CLRP, submission of projects for SMART SCALE funding requires a resolution of support by the TPB; and

WHEREAS, submission of projects to the Commonwealth for the SMART SCALE process does not infer nor commit TPB to include any project into its long-range plan; and

WHEREAS, all projects that are awarded SMART SCALE funding and are not already included in the 2016 CLRP, as amended or updated, must each be treated as a new project to the TPB's process and will be evaluated accordingly as specified in the TPB's Technical Inputs Solicitation Submission Guide; and

WHEREAS, VDOT expects the final list of projects submitted to be a subset of the attached preliminary list and will provide the TPB with a list of projects that were submitted at the August 1 deadline, and will also provide TPB with the list of projects that were awarded funding;

NOW, THEREFORE, BE IT RESOLVED THAT the National Capital Region Transportation Planning Board supports submission of the following Northern Virginia projects to the Commonwealth of Virginia SMART SCALE Project Prioritization Process:

NORTHERN VIRGINIA PROJECTS SUBMITTED TO THE COMMONWEALTH OF VIRGINIA SMART SCALE PROJECT PRIORITIZATION PROCESS

SMART SCALE PROJECT PROPOSALS NOT CURRENTLY INCLUDED IN THE APPROVED 2016 CLRP AMENDMENT
