

AIR AND CLIMATE PUBLIC ADVISORY COMMITTEE (ACPAC)

November 18th, 2019
5:30 P.M. – 7:30 P.M.
Room 4/5

Chair: Tamara Toles O'Laughlin

DRAFT AGENDA

5:30 P.M. **1. CALL TO ORDER, INTRODUCTIONS, MEETING SUMMARY APPROVAL**
Tamara Toles O'Laughlin, Chair

5:35 P.M. **2. WARD 8 WOODS**
Nathan Harrington, Ward 8 Woods Director

ACPAC selected the Anacostia Coordinating Council and the Ward 8 Woods Program as a 2019 Climate and Energy Leadership Awardee. Here more about the Program, its successes and challenges, and have a discussion with its director, Nathan Harrington.

6:05 P.M. **3. ENERGY ACCESS AND VULNERABLE POPULATIONS DISCUSSION**
Maia Davis, COG Environmental Programs

The Global Covenant of Mayor's (GCoM) provides climate planning guidance on sustainable energy access planning and climate, risk and vulnerability assessments. COG is following this guidance to develop a 2030 Regional Climate and Energy Access Planning. ACPAC's guidance is being sought on the following:

1. What does sustainable energy access planning mean for metropolitan Washington and what should we be doing together to advance it?
2. What Metropolitan Washington populations are a potential priority for providing support to access sustainable, affordable energy options?
3. What Metropolitan Washington populations potentially have a high exposure and/or lower adaptive capacity to flooding, heat, and extreme weather events?

6:50 P.M. **4. 2020 CLIMATE AWARDS PLANNING**
ACPAC Members and COG Staff

ACPAC members and staff will review the results of the 2019 Climate and Energy Leadership Awards and discuss ideas for the 2020 Leadership Awards.

7:10 P.M. 4. ACPAC 2020 OUTLOOK
ACPAC Members and COG Staff

Members and staff will have a discussion on 2020 priorities for the committee and member recruitment.

7:30 P.M. 5. ADJOURN
