Mr. Eric Graye, AICP, Planning Supervisor

Transportation Planning

Montgomery County Department of Park and Planning

The Maryland National Capital Park and Planning Commission

8787 Georgia Avenue

Silver Spring, MD 20910-3760 .

Dear Mr. Graye:

This letter is the first of two transmittals in response to your letter request of July 27, 2004.

The following data is transmitted:

1. Draft highway and transit networks, input, control, support and TP+ script files and software to run the demographic sub-models and accomplish trip generation, trip distribution, mode choice and trip assignment using the COG/TPB Travel Forecasting Model Version 2.1D (**DRAFT # 28**), for three time periods for the simulation years of 1994, 2000 and 2030 with appropriate documentation. The data are contained on a CD-R labeled "CGV21D_28X".

Please note that generic file names are used in these model runs, so it is recommended that data for each simulation year be kept in separate directories

2. A memorandum to the files by Ron Milone, dated July 30, 2004, titled "*Transmittal of Version 2.1D (DRAFT # 28) Model*"

Questions concerning these data should be directed to Mr. Ron Milone of my staff at (202) 962-3283.

Sincerely,

Ronald F. Kirby

Director, Department of
Transportation Planning
