\$19,482

\*All projects are included in approved local plans and/or supported by the local government. Although some have been funded for study, none have received a full funding commitment.

\*\*Funding requested" reflects funds that will be needed during the coming year.

\*\*\*Known funding allocated in recent years. May not include previous funding for related but separate project on the same facility.

\*\*\*\*May not include future costs for related but separate projects on the same facility.

\*\*\*\*\*Costs are in FY 2008 dollars. Inflation may increase nominal total cost.
