VIRTUAL MEETING ONLY

AGENDA

**1. REVIEW AND APPROVAL OF TWO RESOLUTIONS TO AMEND THE
FY 2021-2024 TRANSPORTATION IMPROVEMENT PROGRAM (TIP)
TO INCLUDE TIP ACTION 21-45**

Kari Snyder, Maryland Department of Transportation

TPB SR11-2022: an amendment to add funding for construction of the MD 337 at MD 218 and I-95/I-495 Northbound Exit BRAC Intersection Improvement project (T6392), and preliminary engineering (PE) on the I-95/I-495 Interchange at Medical Center Drive study (T11578, as requested by the Maryland Department of Transportation (MDOT). The MD 337 intersection improvement project was funded in a prior TIP for ROW acquisition and is exempt from the air quality conformity requirement of the TIP. The interchange at Medical Drive study is new. Once the study has been complete and the proposed configuration of the interchange has been determined, the project will need to be reassessed to determine if it needs to be included in the conformity analysis of the plan and TIP before it can move forward with funding for anything beyond PE.

Action: Approve Resolution SR11-2022.

TPB SR12-2022: an amendment to add funding for construction of the Poplar Hill Road Bridge over Zekiah Swamp Run Replacement project (T6482), as requested by MDOT on behalf of Charles County. This project was funded for PE in a prior TIP and it is exempt from the air quality conformity requirement.

Action: Approve Resolution SR12-2022.
