### AGENDA

- 10:30 A.M.**    **1.    INTRODUCTIONS**  
*Chairman Lovain*
- 10:35 A.M.**    **2.    PRESENTATION AND DISCUSSION ON “NO-BUILD” SCENARIO DRAFT RESULTS**  
*Dusan Vuksan, TPB Transportation Engineer*
- To provide context for priority setting, the TPB will release a report in the summer of 2016 that will look at two extreme “bookend” scenarios: 1) a “No-Build” scenario that will analyze the effects of not building new transportation capacity over the next 25 – not even the projects in the CLRP; and 2) an “All-Build” scenario that will include most of the major unfunded transportation projects that are part of the approved plans of our member jurisdictions (in addition to the CLRP). At the meeting on April 20, staff will provide a status report on analysis related to the first of the scenarios, the “No Build.”
- 11:20 A.M.**    **3.    DISCUSSION OF THE PLAN TO IDENTIFY PEDESTRIAN AND BICYCLE PRIORITY PROJECTS**  
*John Swanson, TPB Transportation Planner*  
*Michael Farrell, TPB Transportation Planner*
- Staff will describe the proposed process for developing a list of bicycle and pedestrian unfunded priorities that will be included in the multi-modal plan of unfunded priority projects.
- 11:30 A.M.**    **4.    DISCUSSION OF OUTREACH TO MEMBER JURISDICTIONS TO PROMOTE REGIONAL PRIORITIES**  
*John Swanson, TPB Transportation Planner*
- At a TPB work session on January 20, participants agreed that the TPB should document the project selection processes of its member jurisdictions and seek to promote the consideration of regional priorities in those processes.

The working group will discuss a staff proposal to implement those recommendations.

**11:40 A.M. 5. WRAP-UP AND NEXT STEPS**  
*Chairman Lovain*

The group will discuss its next steps.

**11:45 A.M. 5. ADJOURN**

The next meeting of the Working Group is scheduled for May 18, 2016 at 10:30 A.M.
