

**AGENDA**  
**TPB Citizens Advisory Committee**

Monday, November 14, 2005  
6:00 – 8:00 pm

Council of Governments  
Training Center (Main Floor)  
777 North Capitol Street, NE  
Washington, DC 20002

- 6:00 – 7:00 Briefing and Discussion on the Davis Bill for WMATA Funding**  
Bill Womack of Representative Tom Davis' office will brief the committee on the congressman's legislation to provide funding for Metro. The committee will continue its discussion from last month on the legislation, how it has been received, next steps that are anticipated, and how the committee should respond to this initiative.
- 7:00 – 7:20 Discussion Regarding the Need for a Full-Time Pedestrian/Bicycle Coordinator at WMATA**  
A number of pedestrian and bicycle activists have recently expressed support for proposals to create a pedestrian and bicycle access planner position at WMATA. This person would be charged with strategically increasing access to Metro by foot and bicycle. The CAC will discuss the purpose and need for such a position, and whether the committee should develop a position on this issue.
- 7:20 – 7:45 Briefing and Discussion on Improvements in the Long-Range Plan Process for 2006**  
Partly in response to comments made by the CAC's Working Group on CLRP/TIP Information and Analysis, TPB staff has begun to implement a number of changes for next year's CLRP update. The CAC will be briefed on a number of activities, including the CLRP update schedule, plans for a new CLRP homepage, new plan documentation and analysis, and other improvements.
- 7:45 - 7:55 Upcoming TPB Agenda**  
Ron Kirby, Director of COG's Department of Transportation Planning, will brief the committee on upcoming agenda items.
- 7:55 – 8:00 Other Business and Upcoming Meeting Agendas**  
Among other things, the committee will discuss the proposal to have a presentation on HOT lanes at a future meeting.
